Vented Chair Mats for Hard Floors

Vented Chair Mats for Hard Floors are desk chair mats that include hundreds of small air vents that allow moisture to escape from underneath the chair mat, which prevents mold and mildew from growing. These ventilated chair mats are ideal for moist areas with hard floor surfaces. Vented chair mats are perfect for locations with moisture seeping up through the floor - these office chair mats help hard floors breath and chairs move easily.

• Vented chair mats offer 1/8" circular vents that are spaced 2.5" apart from each other. This vent spacing helps the floor breath while still providing a strong, smooth rolling surface.

• These vented chair mats have the 145mil Standard thickness (1/7").

• Custom vented chair mat sizes and shapes are available and can be produced in 1-2 days. Please call for pricing.

• NOTE: A "lip" is defined as a protrusion or extension from the edge of the chair mat. The lip protects the floor under the desk where the chair may roll if scooted all the way in.

• NOTE: Vented Chair Mats with a lip are listed using the overall size of the mat including the lip; thus, the rectangular portion of the mat is smaller than the corresponding size listed.

Item No: C.CMHVT

Standard Sizes (Approximate)			
Size	Qty. 1	Qty. 2-10	Qty. 11+
36" x 48" - lip	$232.50	$229.48	$227.76
