Flocked Carpet Logo Mats

Flocked Carpet Mats are logo floor mats that use a distinct flocking process to lay a crisp, clear logo design onto the carpet surface.

• Nylon flock is permanently embedded onto the mat's surface creating strong visual effects with a slightly raised image

• Choose a 1 or 2 color design from the 28 standard logo colors

• Flocked logo mats are ideal for moderate traffic areas

• Olefin yarn is stain, soil and mildew resistant

• One-time $95 artwork setup will be charged per logo mat order

** An artist's proof of the logo floor mat will be emailed to you for approval before manufacturing.
